AKKIK

THE EAGLE

He clasps the crag with crooked hands;
Close to the sun in lonely lands,
Ringed with the azure world, he stands.

The wrinkled sea beneath him crawls;
He watches from his mountain walls,
And like a thunderbolt he falls.

The 1982 season was a success for the Bird Herd, by all accounts. The Herd received many new members, set 50 personal best performances, compiled an 8-1-1 record, established 2 new school records — Mary Diette in the 100m Hurdles (16.3), and Melodie Hoff in the Javelin (121-3), and established a new State Meet Record — Melodie Hoff in Javelin (113-11).

Hard work, striving for excellence, compassion, and character marked the Herd's performance all season. At the State Meet, the Herd gave it their all, and finished second to Oxbow by one point.

The 1982 edition of the Herd sees the graduation of many Seniors, but the enthusiastic underclassmen are well prepared to carry on in good fashion.

EAGLES BACK ON TRACK

The 1982 Boys Track Team saw a big turnabout as the team learned what it was like to win. The constant improvement and performances when needed enabled the team to win 3 meets on the final events. End result was a great season with the record setting 1600 meter relay team winning the final event in the state meet.

Standing: D. Ginepra; T. Schroeder; Coach Lunna; J. Langevin; C. Vargas; L. Liberty; B. Hines; R. Short; J. Forgues, Co-Captain; J. Endicott, Co-Captain; T. Mayer; Kneeling: S. Drexler; R. The J.V. Girls' Softball team had a very successful season. The girls improved with each game. Many games were exciting with 5 double plays executed this season. Nine home runs were recorded with 1 grand slam and 1 over the fence home run. Our record ended 8-10 with the team winning its last 4 games.

JUNIOR HIGH SOFTBALL

The Junior High Softball team was very strong this year. We played 10 games and ended our season with an 8-2 record. The members of the team were: Kathy Frey; Jenny Buonincontro; Karen Haney; Tara Haney; Brenda Shores; Carol Weston; Judy D'Avignon; Chris Gould; Kelly Wallace; Debbie Bedell; Joanne Rathbun; Bayard Littlefield; Chris Heffernan; Kim Atkins; Terry Masterson; Tanise Adams; Denise Thomas; Reneé Sunnafrank; Michelle Choquette; Lisa Cross; Lori Trudeau; Lisa Kamencik.

The '82 Varsity Softball team had a very good year even though their record was only 8 wins and 10 losses. The team qualified for the state playoffs by winning the last game of the season. In playoffs, they won the first game over Burr and Burton and lost in the quarter finals to Lamoille.

The team lost seven seniors this year and will be looking to a rebuilding year next year. The underclassmen have had some good experiences this year and are looking forward to next year's challenge.

JUNIOR HIGH BASEBALL

GOLF

The 1982 Little Eagles would not appear, on the surface, to have had a successful campaign if one looked only at their record (0-8)! However if you consider that the true purpose of this program is to learn from experience those mistakes that can be most costly and to work hard to eliminate them, then the team had very real success as the season progressed. Many of our losses were extremely close games and only our lack of depth and experience prevented a much better record. Academic problems required several players to concentrate on their studies while allowing many 7th graders the opportunity to learn from game situations. Outstanding pitching by Mark Vrooman, Jeremy Cota, and Brendan Burke was one strong point. Likewise excellent defensive play by Mark Tierney at 2nd and Mark Lathrop, center and short stop, showed that next year will be a more outwardly successful season.

Mr. Ross

Members: David Jones, Tony Salvatore, Miles Weston, Brad Littlefield, Robby Martens, Mike Cassarino, Andy Buonincontro, Mike Brennan

This year's team was in a building process state but did however acquire more match points than the previous three years. Next year's team will be built around Miles Weston and Tony Salvatore.

Boys Make Semifinals

The Mt. Abe Eagles had an excellent year this year. We ended the year with a 9-9 Record.

The Eagles qualified for the Division II state tournament this year. In our first playoff game, we beat a young Lamoille team 9-5 behind the strong pitching performances of Keith Smith and Rich Forgues. The Eagles also cashed out 10 hits. This victory moved us into the Semifinals against top seeded Winooski.

In the semifinals the Eagles played an excellent game proving to the world of sports that they did indeed belong in the final four. Keith Smith pitched a gutsy game. The Eagles came up short though, losing 3-1.

I am very proud of every member on this team. We developed a winning and "never say die" attitude. This team earned a lot of respect and admiration from coaches and teams around the state.

SUPERINTENDENT'S MESSAGE TO THE CLASS OF 83

Marlene Vrooman

Richard Proper

Congratulations! You have reached an important milestone as you graduate from high school.

It seems like a long, long time since you took your first timid step into kindergarten or first grade — that step that took you away from home and family into the world of letters, numbers, busses, sports, and teachers.

All of you have had similar exposure to many situations in the last twelve years. Each of you has assimilated that exposure along with your environment into skills that make you a unique individual. Many of you have become accomplished musicians, artists, printers, singers, typists, mathematicians, writers, mechanics, and welders in addition to the general education you have received.

The years will pass by quickly as you move out of school to further your education, into the world of work, and to take on various civic duties in order to carry America into the twenty-first century. As you move into the world, remember from your study of science that each human is approximately equal chemically. "A human body has 10 gallons of water, enough fat to make seven cakes of soap, enough lime to whitewash a small shed, the carbon equivalent of a 28 pound bag of coke, enough phosphorous to make 2200 matches, iron enough to make a one inch nail, a spoonful of sulphur, and an ounce of various metals other than iron." Beyond the chemicals, we each have will, personality, a soul, a sense of humor, the drive to succeed, and many other ingredients that defy scientific analysis. The combination of those ingredients with the chemicals make you.

In America you have an equal opportunity to take the unique combination that makes "you" and mold it to your own benefit, as well as, the benefit of all mankind.

Good luck for the future.

Keith L. Hall

MR. CONNOLLY ADDRESSES THE SENIORS

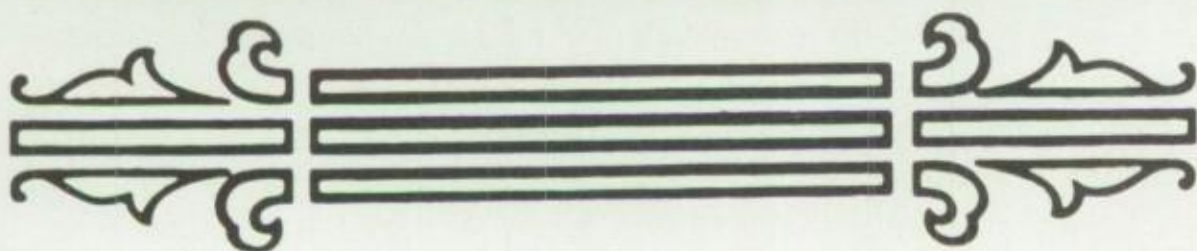

I join the many in offering my congratulations to the Class of 1983. The diploma awarded at graduation is but a piece of paper (fancy paper!) with appropriate wording indicating that you have met certain requirements. The true value of your diploma is equal to the contributions that you made in satisfying the requirements. The years that follow graduation will be different in many ways from those just past — yet, in some ways, similar. Your contributions — your involvement — whether at work, at college or with your own families, will determine in large part, your successes.

As you leave Mt. Abe — and continue your journey, we hope that you are adequately equipped to start anew. I encourage each graduate to “dream a dream,” seeking those goals that will bring you happiness and satisfaction.

Best wishes.

LET'S PLAY HOCKEY

To say that 9-7 was a remarkable record for the 1982 Varsity is an understatement. With an inexperienced senior class, in comparison to past years, this team had to make up with skill and desire what they lacked in previous playing experience. As a result, they became one of the better balanced teams in the League, with no superstars, but good, steady, determined players in all positions.

The season began with a visit from a touring school girl team from Braintree, England. Their tour included a match against a combined Varsity-Junior Varsity squad, a pot luck dinner, and various sight-seeing jaunts. For the second year, "Program Practices" gave the Varsity a chance to act as coaches, polish their own techniques and verbalize skills. Another milestone occurred when the Junior Varsity finally received their own field after years of sharing with the Varsity. Finally, "Secret Pal" as organized by Co-Captains Michelle Drexler and Jennie Williams, helped make a spirited group into a more cohesive unit.

With the season goal being to make it to the play-offs, the 1982 Varsity qualifies with a hard-earned 8-6 record, won a playdown match against Winooski, and lost in the quarterfinals to the eventual state champions, Milton. That match was one of the best of the season, with offense and defense supporting each other and demonstrating poise and initiative against a very strong opponent. The 1982 Eagles were remarkable, from start to finish.

UNDEFEATED!

The Junior High Soccer team had a very successful season this year. For the first time a Junior High soccer team had an undefeated season. Our record was 8 wins, 0 losses and 1 tie.

The team worked hard all season long with the highlight being able to win the Mt. Abe Jr. High tournament for the first time. I think there are many future varsity soccer stars on this year's team.

The Varsity Soccer Team got off to a slow start, but came on like gangbusters during the play-offs. The team barely qualified for state tournament play.

The first postseason game (Quarterfinals) was against Fairhaven on their home turf. Mt. Abe upset the Slaters 3-2 in sudden death overtime. The Eagles suddenly took over the number two seed and hosted Otter Valley in a semi-final contest. The Eagles were victorious, 4-2 in regulation overtime. The stage was set — Mt. Abe vs. Vergennes in the State Championship at Johnson State College. At the end of regulation overtime, the score was Mt. Abe 2 and Vergennes 2 (State Co-Champions).

Starting 2 weeks into the season the boys and girls Cross Country team began as unknowns and emerged as winners by season's end. With a starting group of 14, the teams grew and grew in members until the roster was 35 members strong. Brady Hanson, Steve Smith, Mike Fernandez, Thor Schroeder, and Todd Sturtevant became the top 5 runners by season's end.

Soph. Wendy Fagga came on strong to lead all girl runners and her 37th place finish in the states was tops for both the boys' and girls' teams.

We will miss Seniors Brady Hanson and Todd Sturtevant but look forward to the return of 33 runners. A great start for a great sport by a great group of teenagers.

EDITOR'S COMMENTS

Every year the Yearbook staff attempts to create new ideas to make the coming edition more authentic than the last. Many of the ideas are not used only because there is not enough time to actually put them together. It gives one the feeling of a job well done when one sees his work in print.

My involvement with the yearbook has been a most rewarding experience for me. I will probably never edit a book again but I'm glad that I didn't pass up this chance. I've found out what really happens behind the scenes and how much work goes into a publication.

It has been the greatest challenge I've had to face thus far. It is fun, trying, rewarding, frustrating, irritating, enjoyable, satisfying, but most importantly worthwhile. I would recommend it to anyone.

To next year's staff, I wish you the best of luck. Have fun with it! Alice and Steve . . . It's all yours!

Creating the 1983 *Aerie* has been an extremely difficult but rewarding task. Although we didn't manage all the things we set out to accomplish, I am proud of the result.

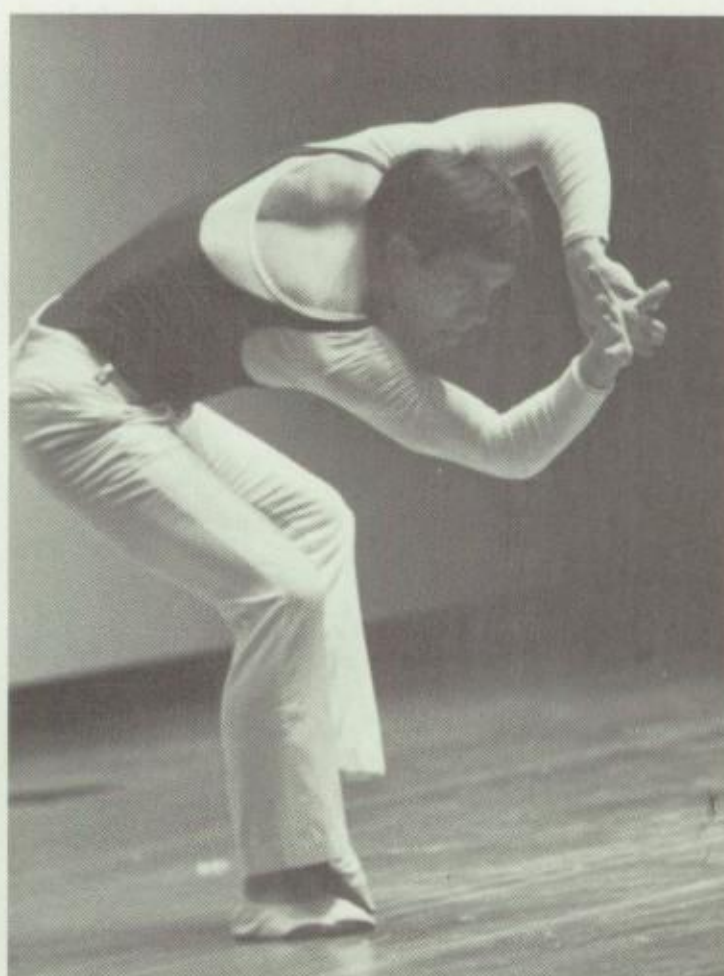

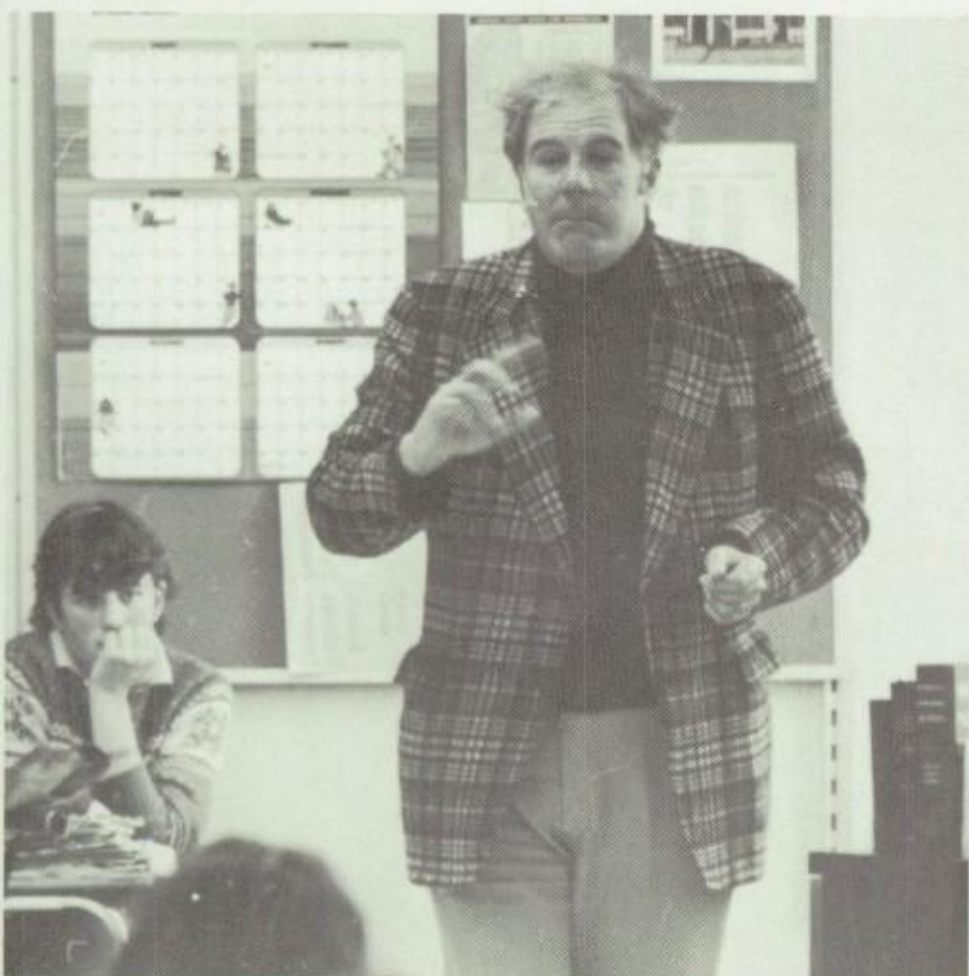

We began this year full of high hopes and ambitious ideas, but as the staff dwindled and time ticked closer to deadline, we learned to compromise and set reasonable goals.

I wish I could convey to you the incredible amount of work that goes into each page of a book. Pictures must be taken and printed, art work developed and polished. Then someone must create the page, piecing the pictures and art work together. Next, a typist has to decipher the publisher's codes and relay our written message to the printer. Lastly, each page must be proofread and corrected. This process was repeated 136 times! Luckily, the excitement of seeing the finished product helps to dull the memories of long, frustrating hours spent locked in the yearbook room.

Without Mary we never would have managed. Her sensible, hard working attitude kept everyone's mind on business, and her crazy moods made the quiet little room bearable. Alice Weston and Steve Lutton also deserve much credit and immeasurable thanks. Their help and determination made a huge difference in the *Aerie*. They will Co-Edit the 1984 Yearbook. I am confident that they will improve upon this year's book and create a unique edition.

Special thanks to: Our faithful advisors, Mr. Thelen and Mrs. Work; Mr. Fisher, a most helpful Delmar representative; Alice Weston and Steven Lutton, next year's Co-Editors; Michelle Drexler and Margaret Hall for their wonderful art work and extreme patience; Jonathan Billings and Craig Weber, our faithful photographers; Bill Hansen and Lisa Leroux, our sales representatives; Mr. Connolly, for his understanding; Mrs. Benway and Mrs. Mayer, for always helping in our time of need; and to all other staff members—Thank you! You deserve the credit.

THE EAGLE

He clasps the crag with crooked hands;
Close to the sun in lonely lands,
Ringed with the azure world, he stands.

The wrinkled sea beneath him crawls;
He watches from his mountain walls,
And like a thunderbolt he falls.

Lord Tennyson
